EFFECTIVE DATE: April 29, 2022	REVISION DATE: April 4, 2024

PURPOSE

With prior approval, Relias may offer unpaid personal leave to employees at a minimum of four (4) weeks and to not exceed twelve (12) weeks. Personal leave can be taken for reasons outside of Flexible PTO, such as family reasons, TV appearances, non-FMLA qualifying events for self/family, etc.

SCOPE

Relians who meet the eligibility requirements set forth below, regardless of work location.

POLICY STATEMENT

The following criteria may be considered prior to approving a personal leave:

- Length of employment
- Business needs
- Prior leave history
- Full or part-time, regular employee schedule to work at least 30 hours per week (temporary employees and interns are not eligible for this benefit)

Amount/Time Frame

- Personal leave is unpaid time away from work for reasons outside of Flexible PTO, such as family reasons, TV appearances, non-FMLA qualifying events for self/family, etc.
- The maximum length of a personal leave is twelve (12) weeks.
- Employees are prohibited to work while on an approved leave of absence.

Coordination with Other Policies:

- The company will maintain all benefits for employees during personal leave. For the employee's benefits to remain active, the employee is responsible for paying the Company the benefit premiums. Benefit premiums can be paid in one-lump sum at the beginning of the leave or on a bi-weekly basis per the payroll calendar. Payment can be submitted via personal check or bank wire. Failure to pay benefit premiums within 30 days may result in cancellation of benefits.
- For employees on a compensation plan and that are on personal leave for a period of four (4) weeks or longer, the Quota Relief policy is automatically put into effect. Coordination with Sales Operations and advanced notice is required to ensure full benefits of the Quota Relief policy are applied.

- Employees on leave are not eligible for bonus pay during their absence. Any bonuses earned will be prorated based on the duration of the leave period.

REPORTING PROCEDURES

- The employee will provide his or her manager and HR with notice of the request for leave at least 30 days prior to the proposed date of the leave (or if the leave was not foreseeable, as soon as possible). The employee must complete the necessary HR forms and provide all documentation as required by HR to substantiate the request. For those on a compensation plan, additional documentation may be required for Quota Relief.
- As is the case with all company policies, the organization has the exclusive right to interpret this policy.

Return to work after Personal Leave:

- If the employee is unable to return to work at the agreed upon date or after 12 weeks, they will be considered to have voluntarily resigned from employment.
- If the employee does not communicate that they are unable to return, they will be considered to have involuntarily resigned due to job abandonment.
