

QUARTERLY CHECK-IN

Choose a couple questions from the below to help you begin writing your summary for your Quarterly Check-In

LAST QUARTER

- What is one thing you did well last quarter?
- What didn't go well? What would you have done differently?
- How are you progressing towards your goal(s)?
- What is something you did that helped push the company forward?
- What area or project do you wish you had spent more time on? Less time on?
- What skill did you learn or improve?
- What was an interaction that went well? Not so well?
- How did you think outside of the box last quarter?
- Were you pushed out of your comfort zone? How?

NEXT QUARTER

- What is one area you would like to improve/focus on?
- What do you think you should do differently?
- What will you do to better understand the business?
- What projects or tasks/responsibilities do you have an interest in taking on?
- How do you see yourself contributing to the organization's objectives?
- How will you think outside the box?
- What knowledge do you need to gain to be successful?
- How will you push yourself out of your comfort zone?

MANAGER SUPPORT

- How can your manager help you succeed?
- What can your manager do differently to be a more effective manager for you?
- What barriers or roadblocks do you need help in removing?
- Are there any roadblocks your manager needs to review?
